

SPANISH AMERICAN EVANGELISTIC MINISTRIES

April 2010 Issue

This is the month when we celebrate the resurrection of our Lord, Jesus Christ. We are humbled by God's demonstration of love and we give Thanks and Praise!

From the Staff

We have been away from our Mission update since the month of January. We will take one quick look at the month of February: This mission celebrated its 46th year. We had our annual Trustees Meeting, followed by our Banquet where a good time of fellowship occurred; followed by a great message received from our guest speaker, Grady O'Dell from Sullivan, MO.

The month of March was one of catching-up from the previous month's activities. The Board of Trustees is actively seeking a new Director/Fund Raiser for our mission.

The small staff remaining keeps busy - all at several posts, continuing our service to HIM. Our service worth writing about is about a Mexican soldier stationed in Juarez. He contacted us via e-mail to request Spanish New Testaments and Gospel tracts for distribution in Juarez. We found out that he is a Lieutenant; 15 years of service. He and his family are from the state of Zacatecas but live in Mexico City. In our efforts to make the connection for our literature, we contacted one of the pastors in Juarez, Irineo Onofre. This soldier for Christ went over to the church and picked up the literature; everyone involved is happy... Praise God!

A Testimony.....

Some friends of S.A.E.M. are stepping up to the plate to make advances against the drug wars in Juarez. Our gospel tracts, enough to "cover up" the city of Juarez, have been picked up in hope that a spiritual awakening will inspire people to get on the Lord's side and overcome the evil that has a strong hold of our sister city. The individual we want to speak about manages a fruit and vegetable market in Juarez. We have known him and his family for many years. He gives us and the groups we lead into Juarez, a 10% discount on the food purchased there. Last year, his son was shot to death due to the fact he took part in the making of signs for a large group of marchers asking for government help against the drug cartels. One evening after he and his family left his parents house, he stopped to help a stalled vehicle; it was a trap...and he was killed there. This family is standing up; they know 40 churches and 40 ministers who will, along side of them, walk the streets, giving out literature, and encourage a close walk with Jesus. Together they pray hard for something good to come out of the loss of a son, brother, husband, and friend.

NEW TIRES FOR OUR VAN!

S.A.E.M. enjoyed the visit from Tom & Peggy Michael who head the Mission's Team at Christ's Church of Oronogo, Oronogo, MO. Our mission was presented with this very special, greatly needed gift. Our van sits pretty waiting to transport all that will come our way.
THANK YOU, FRIENDS!

Reminder..... Please do not forget about our FLEX 2010 Appeal.

This Issue's "Thank You" from Ed & Donna Weckerly

Surely, we would not want this opportunity to pass without writing a heart-felt expression of gratitude to our supporters. You are so conscientious, just the right kind of dedicated Christian Servants and so loveable; we love you back and need you. Thus, God is taking care of us, our bills get paid, and we are keeping up with utilities, food, insurance (including coverage for assisted living), taxes, gas, and medicines. Never a doubt that God is with us. It is a real privilege to live by faith. Here is an example of one item of Christian service which recently occurred at our office. A man came to obtain tracts; I visited with him and before he left, I had him wait a minute told him I had an additional benevolent gift for him; I explained to him where it came from and he was so appreciative that he gave a monetary donation to the mission for it; he wanted also to share from his heart; so we accepted it. We just never know what is going to come through our front door!

Forever Friends, *Ed & Donna*
