

Spain's American Evangelistic Ministries

June 2011 Issue

Do you remember I mentioned we were working on the printed tracts and getting them ready for distribution? That was accomplished..... our tracts are getting low, again. We are preparing for another print run; our pressman – Terry Knippers, will arrive to our mission in September. What I want to report on, which ties in with our pressman, is our once a year appeal to our FLEX fund. The donations to-date is in the amount of \$1,520.00 – **THANK YOU FOR YOUR PART IN THIS DONATED TOTAL!!** Our appeal letter was mailed the beginning of May so, this is over one month of donations. Not a huge dollar amount; Still.....these donations are helping us to continue printing Jesus' message through our evangelizing tracts. We believe that those of you, who have helped, trust SAEM and trust in our commitment to do work for God's Kingdom. We realize also, that some of you may have put your intention to send a donation on "hold". **May we encourage you to send it?** The more help that comes in between now and the time Terry arrives at our mission; the more materials we will be able to purchase and have ready for him to print as much as possible, in the short time that he is here. Thank you in His Name.....

We mentioned also about the big order of New Testaments we had placed. A total of **24,296 New Testaments** arrived at our mission **THANKS TO ALL WHO PARTNER WITH US;** these New Testaments are being processed for distribution, as I write.

In the order of "THANKS", SAEM sends a **BIG ONE** to the group from **Ray of Hope Christian Church from Comanche, OK!!!!** This group headed by Frank & Bernice DeNike from **DeNike Ministries**, visited our mission this month and in only two days , rebuilt the roof for Apartment B. Now, both apartments, A & B not only look GREAT with their pitched roofs, but the water seepage into the apartments will be no more. May God hold you in His Precious Hands as you continue to labor in His Name.

Thanks to SAEM

"The truth is, we were surprised to receive another box with Bibles! We are in the middle of teaching new converts...Your Bibles are of great hope to continue studying and a blessing for those who cannot afford to get them. Your literature is the way for those that desire growth in the body of Christ; for learning...then for teaching."

"From **San Juan, Argentina** we send you, from a distance, a strong hug and rich blessings for your beautiful task."

Pastor Gabriel Díaz – Iglesia Ríos de Agua Viva.

ITEMS FOR PRAYER

Sometimes it seems that the best thing that can be done about a situation is to pray to God for the solution. We are brought to prayer by necessity. A group of preachers were asked one time about their best position for praying; one brought out, of course, that he knelt by his chair and felt close to God; others prayed sitting in a chair after reading the Bible. One old boy said that he had been caught by a rope around his ankle and pulled upside down over a well curb and hanging there by one leg, found a good position for praying! The point is, anywhere, anytime there is a necessity, people should pray their requests to God, not to mention pure praise and thanksgiving and thank God we have had prayers answered, too.

Heavy on our hearts for the past week is a case of the disappearance of a Christian from the Galeana Church who went downtown in Juarez for a job interview and never came back home. Her name is Jasmin; she is 18 years of age, a solid Christian, known by the preacher's family since she was 2 years old; faithful to Christ, and now just missing. A good scripture on this is Luke 18:1 "...men ought always to pray and not to faint."

We pray for results on the literature which is used from S.A.E.M. Currently, orders by e-mail are going out to Central and South America. The cost is right up there, but we are compelled to get it sent out, the people using it respond as to how beneficial the gospel tracts are. We pray for the people as they "walk-in" to pick up literature. These field workers face many a trial, yet count it a privilege to give the testimonies of the value of living for Jesus. Will you please pray over these things with us? And over the many things occurring in your life, too? We are receiving e-mail prayer requests regularly from the Andover Christian Church. May we invite you to send us your prayer needs also?

 ***An Important Piece of Information:*** *In our last April meeting, the Trustees of SAEM decided to start a fund towards bringing in a Director. It would be easier to find that person if there is money on hand to offer a salary. Please pray to God on this matter and give to this fund as the Lord may provide. The fund is already pushing forward; we love the idea of keeping it going on a permanent basis; with God's help and yours; WE CAN!*
