

Spanish America Evangelistic Ministries

Fall 2011 Issue

FROM THE STAFF.....

Our pressman – Terry Knippers, together with his wife Amparo, arrived at our mission on September 8th. **THANKS TO ALL OF YOU, OUR FAITHFUL SUPPORTERS** who responded to our appeal letter mailed back in May – we were able to purchase enough paper and supplies to allow Terry the opportunity to stay at our mission and print for a period of six weeks!! Of course, there is always something that will go wrong each time the Knippers' are here. Terry encountered one big problem with the press and because of this problem he was unable to apply the four colors to our tracts. We had to make decisions on changes in using only two colors to our tracts.... But, they got printed! The look is important, but more important is the printed **WORD**... and they do look good! The total count of printed evangelizing tracts for this run is: 425,000 !

Tracts, tracts, tracts!

Terry teaching the folding machine to Angelica & Amparo

Angelica sure of self at folding machine

Our mission continues to rely on the help of volunteers for processing of our cut tracts. Terry not only does all the printing; but the cutting as well. After they are folded, they must be counted and wrapped in bundles of 100 each; they are ready for distribution after this. These 3 volunteers spent an entire day doing just that! We ask for your continued financial help for our **FLEX** account. We will be facing a major bill to get our press repaired. After Terry & Amparo leave our mission to go back home to OK., the crew from a local company will be here to take apart our press to repair the malfunctioning part. We thank you for your faithfulness to our mission maintained thru the years. We continue to pray for the riches and Blessings of our Lord to be showered on you & yours!

Joel, Ramon, & Abelardo, counting & bundling tracts

I hit the ground running..... by Ed

This appears like a para-trooper landing on the ground, after a parachute jump. Actually, it was me, upon arriving from a 3,083 mile ground journey; preaching on Missions in the Annual School of Missions – in 12 Christian Churches in Oklahoma, Texas, and Kansas. A guy can make a lot of plans while cruising down the highway. I was given 220 lbs. of food from “Kids Against Hunger”, in Cherokee, OK and did not want to waste time distributing it where it was needed. Sure enough, the first day back from my speaking trip, three men came by SAEM for Christian literature;

when they found out we have food to give away; they jumped on the opportunity, too! They travel way down to villages south of Chihuahua City and they welcomed a whole box of the packaged rice dish. So, they got what they originally came for – plus food and blankets. That’s what we are here for; to help out people in need.

WE WANT TO SHARE: “EVANGELISMO MASIVO 2011”

by Bety

Pictured are Emma Galanza & Bety Stanghellini. At the end of August, they came by SAEM to get literature in big volumes. The report given to me was that on September 3, 2011– our sister city of Juarez, Mexico was getting a huge group of their local pastors and pastors from El Paso, to have a massive evangelizing movement throughout Juarez. The number of pastors was close to 100 coming together to spread the message of “Love; Not Violence.” These sisters in Christ picked up a total

of 65,800 Evangelizing Tracts! Those that witnessed the event stated that the evangelizing emphasis was done at the four international bridges. Not only were the tracts distributed, but many accepted Christ right there at the bridges where people asked for prayer and confessed their need for our Lord. Amen!

Thanks to SAEM

“Thank you for the Bible you sent me. Thank you in our Lord Jesus’ name. May He continue to greatly Bless YOU - the seed sower, as well as the gift givers – as together you continue to feed the rivers of Blessings for our spiritual growth.”
