

**SO, IT DOES NOT MATTER; HOT OR COLD, WINDY, WET OR DRY;
THE BIBLE FLOURISHES. II Timothy 4:2**

Greetings and Blessings to our friends and supporters of this ministry. We want to express our Thanks and Gratitude to all who continue to believe in and support SAEM. This small staff continues to strive to do more and more while the Good Lord has us here; it is all done for His Glory.

Since the last time we wrote – back in May, WOW! Where has the time gone? - We wish to report what has been happening. While we would love to tell you that many groups were hosted by our mission; we had the privilege to host only one this summer. Ray of Hope Church from OK visited a weekend of July. They help several churches across the border, but have been unable to cross into Juarez. They have remained loyal to these churches who so depend on them. This time, not only did they bring them gifts by way of clothing, shoes, and monetary assistance – this group provided two days of fellowship and teaching here at SAEM. The visiting pastors and wives and church members were a total of twelve. I was much honored to serve as translator to the Spanish speaking ladies from Juarez. The Ray of Hope persons who provided the teaching were Ken, Carolyn, and Ruth. Kenny and Sarah were on hand; ready to serve. We Thank You Ray of Hope! It was truly a blessed experience.

Our regular work continues....the processing of our tracts; ...that is – cutting, folding, counting and bundling them. We are just about done having all that Terry printed back in June, ready for distribution. A total of 544,000 tracts printed!! The Good Lord has continued to bless us by allowing us to continue printing. We have learned to be constant and steady in distributing the Word of God.

Tracts and more Tracts!

God's love to all of you.
Bety Garcia-Reynolds
Interim Director

NEVER A DULL MOMENT AROUND SPANISH AMERICAN EVANGELISTIC MINISTRIES

By Ed Weckerly

I am writing to tell you some details of the Lord's service at the office and print shop of SAEM. Let me share with you that the "walk-ins" are keeping us hopping. The Bibles, tracts and booklets flow out of here quite regularly as the people have their requests filled. We have them choose their preferences from a display board in the reception area, checking what they desire on a form. For a small donation per bundle of 100, they get their literature and leave to go about their job of sharing them with others. The 15 titles of tracts in the Spanish language come in two categories, Evangelism and Teaching. Phone calls are very interesting, too. I just had a call this Friday morning from a Christian worker who is now in North

Hollywood, CA, visiting with a minister out there. This Ricardo Pan is from Yucatan, Mexico; he is fluent in Spanish and Maya, even teaches the Bible on the Island of Cozumel. He called to order 1,000 tracts on Evangelism. He is leaving California soon, so we had to get this out right away by means of a friend who lives in our area who will pick up the literature and send it to him. Last week, when Bety was gone on vacation, Roxanne Davis and Angelica Santiago volunteered in the office. We thank God for them and all of the persons who have volunteered throughout the years!

Mark & daughter Cassandra...

Folding tracts.

Ezequiel...

Re-stocking shelves.

I have another special duty I would like to let you know about. Some supporters from our northern states send love offerings for a preacher in Mexico. I have the privilege of meeting him on the El Paso side of the bridge which goes into Juarez, to relay the money to him. Often times he wants Gospel tracts, which I take with me. His oldest son, Carlos, leads the youth group and they hand out tracts at stop lights; offering to pray for the people in the cars. The ones who send the help have visited the church where he preaches and they know his family, so they respond to their needs. Part of the bills of the church is the responsibility of the minister. They have bought property to build a minister's house and they are working on that. They have a feeding program for children who are in need; we give rice and beans for that. All-in-all, they are doing a great job of out-reach for Christ in the midst of crime, killing and extortion. So, I am happy to be the "go-between." 'NUFF SED.'
