

ABOUT GOD'S FAITHFULNESS ...

JUNE 2016

S.A.E.M. continues to witness God's faithfulness to those who love Him and serve Him. To those whose daily lives are centered in the reality of the gift and example of Jesus Christ. I witnessed God's love in the persons that visited and worked in our mission from June 5th to June 9th. The youth group accompanied by their leaders of Valley Christian Church from Moorhead, MN made the

l-o-n-g journey to work for us four days in whatever task they were assigned; working mainly outside in the 100 plus degree heat of the El Paso desert!

In the evenings, we gathered, ate and then, discussed the day's activities which gave other's The closing of each day was done in song led by Pastor Jim...

Pastor Martin Nunez and his wife Lety from Juarez, Mexico came to visit and this pastor shared a very powerful testimony - proving that God has a purpose for every one of His children.

The group had the opportunity to meet one of their pastor's family; the Onofre's - who offered songs of praise wish to continue serving in their church in Juarez; in a up of Masahua Indians. **Irineo Onofre** was this family's and father. On Wednesday evening, we took the team to view our city and the city of Juarez from atop the Franklin Mountain - Scenic Drive, as it is commonly known. The view and the breeze provided a great and relaxing time - so without much opportunity to sing praises to our Lord; perhaps difference in the lives of the other visitors, who Christian songs. SAEM continues to provide our much requested literature. Our printer, Terry visited our mission the month of April. 233,954 tracts printed! As they became available for processing, his wife Amparo took on the task of counting and bundling them - getting them ready for distribution. Terry also took the time to teach and train his job to Daniel Black. You see, Terry plans on retiring next year; so our brother in Christ, Daniel Black from Agape Christian Church in Las Cruces, NM has announced that becoming SAEM's printer is his desire. God's faithfulness is shown by placing Daniel Black in our path... Daniel is also computer literate and that is a big blessing for us!

At the moment, our mission is hosting a couple of ol' friends from Searcy, AR. Daniel Torres is taking them daily across the river, to serve in churches and orphanages in Juarez, Mexico. Once again, we acknowledge God's faithfulness in these two men; they love the Lord and serve those in need. We thank **Him** for **ALL** the wonderful committed Christians who come our way reaching out with giving hearts; we thank **Him** for our non-visiting **Christian family** for the, love, trust and continual support to this mission!
